Thanks Mike. I made a few additional edits. Katherine W. recently corrected my on use of acronyms in correspondence so I made some changes.

Hi Mindy,

Attached is our response to NACEPT. Kathy addressed all comments except the two below from ODACMO (through Jake):

Ex. 5 Deliberative Process (DP)

Ex. 5 Deliberative Process (DP)

Per comments, Kathy placed Pruitt first line in the cc and changed the vice chair to an acting vice chair.

Mike

I have to give you the attachments of 74 pages the printer is having a problem trying to print

I requested a 2-week extension (new due date 7/21/2017) this control was assigned to OWCD by Yvonne Smothers on 7-5-2017. For the AA-OW-Assistant Administrator-OW signature the subject is Submission of the Assumable Waters Subcommittee Final Report from the National Advisory Council to Environmental Policy and Technology, and that PD&JB should reply. Do you agree? If you think this control needs to be re-assigned, could you let me know if you have any suggestions about who would be best?

If you are the correct responder, please draft a response. Since this is for AA-OW-Assistant Administrator-OW signature, I will upload in response in CMS when you provide me the draft. If you need an extension, please let me know the reasons (a need to research data, a need to secure management approval on the response, etc.) and I will request it.

Thanks and let me know if there is anything I can do to help, or if you have any questions.
